“Meet the Insurers”

There are dramatic changes proposed for patients and the profession by private medical insurers. What exactly is now happening in PMI and why are some insurers pressurising the profession? Is there a loss of patient choice and consultant independence? Is this just a financial exercise?

Presentations by several major private medical insurers plus members of the profession (insurance tactics, specialty tendering, new policies, negotiated packages, managed care, the MRI and ophthalmology tender, Milliman Care Plans) followed by a detailed Question and Answer Session

Speakers to include:-

- Dr Simon Peck (AXA-PPP)
Dr Natalie J Macdonald (BUPA)
Mr. John Picken (Medisure)
